

Source Report: Entryway Tile

Entryway tiles are the perfect solution to protect your investment from the elements of outside that can soil and ruin your flooring. Stiff bristles made from 100% polypropylene take dirt off shoes while superior fluid absorption grabs the rain and moisture before it reaches your interior.

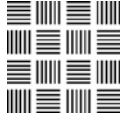

Features & Benefits:

- High water absorbency
- Tough bristles scrape loose dirt, moisture and trash from shoes
- Easy maintenance

Warranty Information:

Bentley Prince Street warrants for a period of 1 year from the date of invoice that the performance of the Products will not be adversely affected by defects in the materials or workmanship used in manufacture. Slight variations in color among different production lots are normal and are not considered defects. Product specifications are subject to normal manufacturing tolerances and may be changed without notice at Bentley Prince Street's discretion. Bentley Prince Street warrants for a period of 5 years from the date of invoice that the Products will not suffer excessive surface wear. Excessive surface wear means loss of more than 10% by weight of face fiber over a continuous area exceeding 1 square yard under the product's ordinary and intended use. This product is intended for internal entryway use only.
